

Benchtop Disposal Set

Introducing the new benchtop biohazard bag and holder kit. Just one SKU is all you need in order to begin safely disposing of tips, tubes, gloves and any other potentially hazardous materials. The biohazard/autoclave bag and stand set is so affordable, that your lab will be able to include one at every workstation.

- Perfect benchtop disposal container for tips, tubes, gloves, plates, etc.
- Complete kit – 400 bags and metal stand
- Compact – Only 3 x 5 inch footprint
- Sturdy – steel construction
- Autoclavable
